Words from the Wa-Klo Winter Office

Well, the blossoms are blooming, the sun is out longer, and the time has come for another "hello" from the Wa-Klo winter office.

CAMP IS ALMOST HERE!!! AS YOU CAN TELL, WE ARE VERY EXCITED!!!

Things are still busy-busy in the office! Karen is finalizing "staff stuff" for the summer of 2-0-1-0, Donna is making sure you all have the important camp information

you need, and Miss Chenet has her hands full making sure the summer schedule is packed full of fun things for you to do!

Have you all decided which activities you want to try your first week at Wa-Klo? We hope so, but if you have a tough time deciding what to take and would like some advice, feel welcome to call or email the winter office, and we will try and help you.

No worries though, no matter what you choose you are sure to have an amazing time and can always switch it up the second week!

As promised in the last Wa-Klonian, information about your camp big sister will be sent out in May so look forward to receiving that!

Start counting down ladies... camp is super close!!!

WACKY WA-KLO KNOW NOW

While swimming, campers were required to wear bathing caps at Wa-Klo until 1986!

Up until Roy-Kit was built in 2001, Cracker Barrel, which is now a lived in cabin, was once the camp dining hall.

Campers had to call all counselors "Miss (last name)" up until 1991.

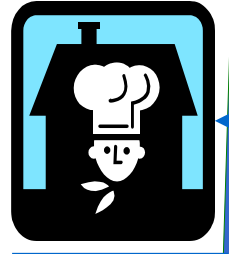

"The Ark" - This is our huge indoor gym, dance studio, crafts, and fitness center.

"Jen-Klo" - So many things happen in Jen-Klo! Plays, games, events... so much!

"The Area" - 7th-9th grade bunks.

"Wayside" - Inter Area shower house.

"Sugar Shack" - You've already heard about it...this is our awesome camp store!

"Roy-Kit" - The yummy dining hall!

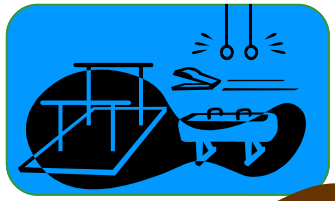

"Cracker Barrel" - This is the place the LTG's call home.

"Side Out" - Miss Chenet's House.

"Far Out" & "Way Out" - The inter area bunks, home to girls in the 5th and 6th grade.

"Round Off" - Tumble, tumble, this is the gymnastics area.

"Sleepy Hollow" - This original Wa-Klo building is HUGE and houses girls in grades 1-4.

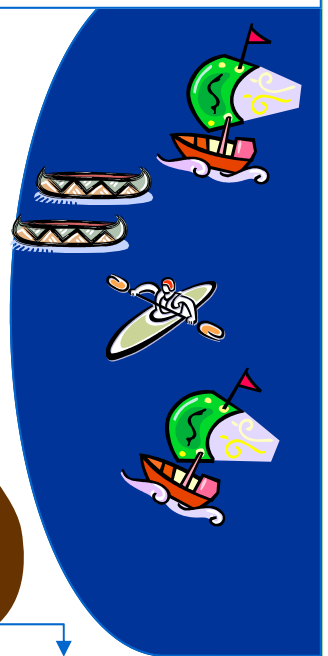

"Pill Box" - Cut, scratch, fever, vitamins, meds.. This is the place to go.. The clinic.

Wanna learn the name of some places around camp? Follow me...

"All In" - Dr. Maurer lives here and the office is also in the front part All In.

"Driftwood" & "Fishbowl" - these buildings sit right by the lake and have been used as camper cabins for all different ages in the past.

** This is not meant to be an accurate camp map. This is just for you to get to know some of the names of a few places around camp. *

As you are packing your trunk for camp, besides making sure you have all your clothes, toiletries, and stuff you need for everyday, don't forget to pack some things to decorate your area and help you feel more at home. Pictures (bring tacks/tape to put them up), posters, yearbooks, CDs, stuffed animals and so on. Some other stuff you may want to bring: stationary, disposable cameras, a book to read, a book light/flash light, jacks/playing cards, etc. Not that anything will happen to your things, but remember this is camp so keep your nicest stuff at home!
