

Songbook!

Friends, friends, friends

Friends, friends, friends we will always be
No matter how fair or how stormy the weather
We'll all stand and we'll pull together
For Camp Wa-Klo we will always be
Though in games we are rivals
Remember they're trifles
And we're still friends

Alma Mater

At the Foot of Mount Monadnock,
Glorious to view,
Stands a camp we all love dearly, 'neath the sky so blue,
There we work and play together,
Happiness untold,
Hail to the our camp so noble, hail oh hail Wa-Klo.

Council Fire Songs

Opening Chant

Mayl ha bay loo looba shemba (repeat)

Each Campfire

Each campfire lights a new, The flame of friendship true

The joys we've had in knowing you

Will last the whole year through

And as the embers die away

We wish that we might ever stay

But since we cannot have our way

We'll come again some other day

(Hum)

The joys we've had in knowing you

Will last the whole year through.

Tonight

Tonight, may never come again, camp girls for you and me,

The same old moon may never shine down quite so tenderly,

So while we are together, lets sing one more song and then,

Good night camp girls tonight may never come again.

Time to Leave

It's time to leave, time to say good night

It's time to leave, from our campfire sight

Another day together has been a lot of fun,

It's time to leave until another sun.

Taps

Day is done, gone the sun, from the lake, from the hills, from the sky.

All is well, safely rest, God is nigh.

Reflections

Here we are

Chorus:

Here we are, all together as we sing our song, joyfully

Here we are, all together as we pray, we will always be

1. Join us now as friends and celebrate the brotherhood we share, all as one.

Keep the fire burning, kindle it with care, and we'll all join in and sing.

2. Happy is the man who does his best to free the troubled world from all its cares.

Join me with that man and free that world, and we'll all join in and sing.

3. Let us make the world an alleluia. Let us make the world a better place.

Keep a smile handy. Lend a helping hand, and we'll all join in and sing.

Now the day is over

Now the day is over, night is drawing nigh

Shadows of the evening still across the sky

When the morning wakens, then may I arise

Pure and fresh and sinless in thy holy eyes

Amen, amen, amen, amen.

Meal Songs

Breakfast

Father, we thank you thee for the night,

And for the blessed morning light,

For rest and food and loving care,

And for all things that make life bright and fair,

Help us to do the things we should,

To be to others kind and good,

In all we do in work and play

To grow more loving everyday. Amen.

Lunch

For health and strength and daily bread,

We praise thy name oh Lord.

(in a round).

Supper

Thank be to God, the Father almighty,

Thanks be to God, who gives us his bread,

Thanks be to God, the Father in heaven,

Thanks be to God, forever.

Amen.

Camp songs

Puff the Magic Dragon

Chorus:

Puff, the magic dragon lived by the sea,

And frolicked in the autumn mist in a land called Honalee.

Little Jackie Paper loved that Rascal Puff,

And brought him strings and sealing wax and other fancy stuff. Ohh (chorus)

Together they would travel on a boat with billowed sail.

Jackie kept a lookout perched on Puff's gigantic tail.

Noble Kings and Princes would bow whenever they came.

Pirate ships would lower their flag when Puff roared out his name. Ohhh (chorus)

A dragon lives forever, but not for little boys,

Painted wings and giant rings make way for other toys.

One gray night it happened, Jackie Piper came no more.

And puff that mighty dragon, he ceased his fearless roar. Ohh (chorus)

His head was bent in sorrow, green scales fell like the rain.

Puff no longer went to play along the cherry lane.

Without his lifelong friend, Puff could not be brave.

And Puff that mighty dragon sadly slipped into his cave.

Ohhh (chorus).

Oh When the Saints

(sing in a round)

Oh, when the saints come marchin' in,

Oh when the saints come marchin' in.

Oh, how I want to be in that number

When the Saints come marchin' in.

I want to sing, sing, sing.

I want to shout, shout, shout

I want to sing, I want to shout, Praise the Lord.

'Cause when those gates are opened wide

I want to be by Father's side

I want to sing, I want to shout, Praise the Lord.

Swing low, sweet chariot, comin' for to carry me home.

Swing low, sweet chariot, comin' for to carry me home.

(sing all verses together).

The Cannibal King

The cannibal king with the big nose ring

Fell in love with a dusky maid

And every night, by the pale moonlight

Across the lake he came.

He hugged and he kissed his pretty little miss

By the shade of the bamboo tree

And every night by the pale moonlight

It sounded like this to me:

Ah rump! (kiss, kiss sound) Ah rump! (sounds) ah rump

Bah dee ah dee yay ay ay (repeat "ah rump")

We'll build a bungalow big enough for two

Big enough for two.

And when we're married, happy we'll be

Under the bamboo, under the bamboo tree

Id you'll be M-I-N-E mine

I'll be T-H-I-N-E thine

And i'll L-O-V-E love you

All the T-I-M-E time

If you will C-O-M-E come

Into the P-A-R-K park

I will K-I-S-S kiss you

In the D-A-R-K dark

It takes a K-I-S-S kiss

To make a M-I-S-S miss

And i'll L-O-V-E love you

All the T-I-M-E time

You are the B-E-S-T best

Of all the R-E-S-T rest

And i'll L-O-V-E love you

All the T-I-M-E time

Rack 'em up, stack 'em up, any old time

Rats in the gas tank, ohh! Ohh!

Cows in the pasture, moo, moo!

Skunks in the closet, phew phew

Love in the moonlight, woo, woo!

Baby Fish

Oh, I wish I was a little baby fish, bay fish (repeat).

I'd go swimming in the nudey without my bathing suity,

Oh, I wish I was a little baby fish, bay fish.

Oh, I wish I was a little piece of orange, piece of orange (repeat).

I'd go squirty, squirty, squirty over everybody's shirty,

Oh, I wish I was a little piece of orange, piece of orange.

Oh, I wish I was a little foreign car, foreign car (repeat).

I'd go speedy down the streety over everybody's feety,

Oh, I wish I was a little foreign car, foreign car.

Oh, I wish I was a little vacuum cleaner, vacuum cleaner (repeat).

I'd go chuggy, chuggy, chuggy over everybody's ruggy.

Oh, I wish I was a little vacuum cleaner, vacuum cleaner.

Oh, I wish I was a little bar of soap, bar of soap (repeat).

I'd go squishy, squishy, squishy over everybody's tushy.,

Oh, I wish I was a little bar of soap, bar of soap.

Oh, I wish I was little baby pigeon, baby pigeon (repeat).

I'd go fly up the steeple and go 'pllp' on all the people.

Oh, I wish I was a little baby pigeon, baby pigeon.

Oh I wish I was a little radio, radio (repeat)

I'd go click!

Morning Has Broken

Morning has broken like the first morning,

Blackbird has spoken like the first bird.

Praise for the singing, praise for the morning.

Praise for them, springing fresh from the word.

Sweet the rain's new fall, sunlit from heaven,

Like the first dew fall on the first grass.

Praise for the sweetness of the wet garden,

Sprung in completeness where his feet pass.

Mine is sunlight, mine is the morning,

Born of one light Eden saw play.

Praise with elation, praise ev'ry morning,

God's recreation of the new day.

Once in Love with Wa-Klo

Once in love with Wa-Klo, shubee-doo-wap.

Always in love with Wa-Klo.

Never another sister or a brother.

Wa-Klo is the way to my heart, cause once with us you never will depart.

(repeat in round)

Oh What a Beautiful Morning

There's a bright golden haze on the meadow

There's a bright golden haze on the meadow

The corn is as high as an elephant's eye,

An' it looks like it's climbin' clear up to the sky.

Chorus:

Oh, what a beautiful mornin',

Oh, what a beautiful day. I got a beautiful feelin'

Ev'rythin's goin' my way.

All the cattle are standin' like statues.

All the cattle are standin' like statues.

They don't turn their heads as they see me ride by,

Bit a little brown mav'rick in winkin' her eye.

Leaving on a Jet Plane

All my bags are packed, I'm ready to go,

I'm standing here outside your door, I hate to wake you up to say goodbye,

But the dawn is breakin', it's early morn, the taxi's waitin'

He's blowin' his horn. Already I'm lonesome I could die.

Chorus:

So kiss me and smile for me, tell me that you'll wait for me,

Hold me like you'll never let me go.

'Cause I'm leaving on a jet plane, don't know when I'll be back again,

Oh, babe, I hate to go.

There's so many times I've let you down, so many times I've played around.

I tell you now they don't mean a thing.

Ev'ry place I go I'll think of you,

Ev'ry song I sing I'll sing for you,

When I come back I'll wear your wedding ring.

(chorus)

Now the time has come to leave you,

One more time let me kiss you, then close your eyes.

I'll be on my way.

Dream about the days to come

When I won't have to leave alone,

About the times I won't have to say:

(chorus)

Perhaps Love

Perhaps love is like a resting place, a shelter from the storm

It exists to give you comfort, it is there to keep you warm

And in those times of trouble when you are most alone

The memory of love will bring you home.

Perhaps love is like a window, perhaps an open door

It invites you to come closer, it wants to show you more

And even if you lose yourself and don't know what to do

The memory of love will see you through.

Oh, love to some is like a cloud, to some as strong as steel
For some a way of living, for some a way to feel
And some say love is holding on, and some say letting go
And some say love is ev'rything, some say they don't know

Perhaps love is like the ocean, full of conflict full of pain
Like a fire when it's cold outside, thunder when it rains
If I should live forever, and all my dreams come true
My memories of love will be of you.

If I had a Hammer

If I had a hammer, I'd hammer in the morning,
I'd hammer in the evening all over this land,
I'd hammer at danger, I'd hammer out a warning,
I'd hammer out love between my brothers and my sisters,
All over this land.

If I had a bell, I'd ring it in the morning,
I'd ring it in the evening all over this land.
I'd ring out danger, I'd ring out a warning,
I'd ring out love between my brothers and my sisters,
All over this land.

If I had a song, I'd sing it in the morning,
I'd sing it in the evening all over this land.
I'd sing out danger, I'd sing out a warning,
I'd sing out love between my brothers and my sisters,
All over this land.

Well, I've got a hammer, and I've got a bell,
And I've got a song to sing all over this land.
It's the hammer of justice, it's the bell of freedom,
It's the song about love between my brothers and my sisters,
All over this land.

Follow Me

It's by far the hardest thing I've ever done,
TO be so in love with you and so alone.

Chorus:

Follow me where I go, what I do, and who I know
Make it part of you to be a part of me.
Follow me up and down all the way and all around,
Take my hand and say you'll follow me.

It's long been on my mind, you know it's been a long long time,
I'll try to find the way that I can make you understand
The way I feel about you and just how much I need you
To be there where I can talk to you
When there's no one else around.

I heard this Camp

I heard this camp call my name.
Listen close you'll hear the same. (repeat three times)
Come on smile, we are Wa-Klo bound.

There are some things that make you smiles.

Come on y'all let's think awhile.

I like home and holidays

Music always makes my day
And gym is fun and so are friends
Happiness should never end.
Come on smile, we are Wa-Klo bound.

Find your happiness and you will know
It will show you where to go.

I like laughter and Wa-Klo
Dancin's fun with your beau.
I like my home and my family
And my favourite memories.
And swimmin's cool, vacations are nice
Happiness is a slice of life.
Come on smile, we are Wa-Klo bound. (repeat three times).

Hotdog Man

I know a weenie man, he owns a weenie stand.
He sells everything from hotdogs on down.
Someday I'll be his wife, his little weenie wife.
Hotdog, love that weenie man, I ain't kiddin',
Hotdog, I love that weenie man, one more time,
Hot dog, I love that weenie man.

I know a hotdog man, he owns a hotdog stand.
He sells everything from weenies on down.
Someday I'll be his wife, his little hotdog wife.
Weenie, I love that hotdog man, I ain't kiddin',
Weenie, I love that hotdog man, one more time,

Weenie, I love that hotdog man, for sure.

Three Little Ducks

Three little ducks went out to play, over the hills and far away,
When the mother duck called quack, quack, quack, quack,
Two little ducks came running back.

Two little ducks went out to play, over the hills and far away,
When the mother duck called quack, quack, quack, quack,
One little duck came running back.

One little duck went out to play, over the hills and far away,
When Grandma duck called quack, quack, quack, quack,
Three little ducks came running back.

Waddlee Atcha

Waddlee atcha, wadlee atcha,
Doodlee-doo, doodle-doo (*repeat first two lines*).

Simplest thing, there isn't much to it.
All you gotta do is doodle-ee-doo it.
I like the rest but the part I like best is Doodlee, Doodlee-doo, wah!
(*repeat faster*).

I Can't Smile Without You

Chorus:

You know I can't smile without you, I can't smile without you.

I can't laugh, and I can't sing.
I'm finding it hard to do anything,
You see, I feel sad when you're sad.
I feel glad when you're glad.
If you only know, what I'm going through
I just can't smile without you.

You came along just like a song to brighten my day.
Who'd believe that you were part of a dream?
Now it all seems light years away and....

(Chorus)

Now some people say happiness takes so very long to find,
Well, I'm finding it hard leaving your love behind me...

(Chorus)

Myself

I have to live with myself and so
I want to be fit for myself to know
I want to be able as days go by
Always to look myself straight in the eye.

Chorus:

I don't want to stand at the setting sun
And hate myself for the things I've done.

I never can hide myself from me
I see what others may never see
I know what others may never know
I have to live with myself and so
I want to be fit for myself to know.

(Back to chorus and sing last 5 lines in a round).

You've Got a Friend

When you're down and troubled and you need a helping hand,

And nothing, nothing is goin' right.

Just close your eyes and think of me and soon I will be there,

To brighten up even your darkest night.

Chorus:

You just call out my name and you know wherever I am

I'll come running, to see you again.

Winter, spring, summer or fall.

All you have to do is call and I'll be there, yes I will.

You've got a friend.

If the sky above, you grows dark and full of clouds

And that ol' North wind begins to blow.

Keep your head together and call my name out loud

Soon you'll hear me knocking upon your door.

(chorus)

Now ain't it good to know that you've got a friend

When people can be so cold,

They'll hurt you and desert you

They'll take your soul if you let them

Oh, but don't you let them.

(chorus).

Happy Times

Remember the fun we had at Camp Wa-Klo

The silvery lake, the sunset glow, the happy times.

Remember the pale pink sky, Monadnock so high.

And if you could ask me why...

The reason I ask you this, is that I want to remember

The happy times.

Camp Wa-Klo

Counter melody:

Camp Wa-Klo, Camp Wa-Klo, Camp Wa-Klo, Camp Wa-Klo...

Verse:

We call it fun, but you may call it madness. Stay here with us and you'll forget your sadness.

Happy campers are we having fun neath the trees

And when we are gone you'll remember our song.

We are from Camp Wa-Klo, Camp Wa-Klo ...

How did we come to meet pal

How did we come to meet pal? What caused our paths to blend?

T'was fate we came to Wa-Klo and you became my friend.

We roamed these hills together and shared our fondest dreams

the council fire was kindled and we played beneath the star light's gleam.

Chorus:

It's here at camp we have learned to grasp, the meaning of,

the real worth of true friendship born to last.

Oh, Wa-Klo you have given what none can ere destroy.

Ideals to guide our lives by and friends to bring us joy.

And when we say farewell , it shall not mean goodbye.

The spark we've lit at Wa-Klo, we know in ages ne'er will die .

(Chorus)

Sunshine on my Shoulders

Chorus :

Sunshine on my shoulders makes me happy,

sunshine in my eyes can make me cry.

Sunshine on the water looks so lovely,

sunshine almost always makes me high.

If I had a day that I could give you,

I'd give to you a day just like today.

If I had a song that I could sing for you,

I'd sing a song to make you feel this way.

(chorus)

If I had a tale that I could tell you,

I'd tell a tale sure to make you smile.

If I had a wish that I could wish for you,

I'd make a wish for sunshine all the while.

Take Me Home Country Roads

Almost heaven, West Virginia, Blue Ridge Mountains, Shenandoah River.

Life is old there, older than the trees, younger than the mountains growin' like a breeze.

Chorus:

Country roads, take me home, to the place I belong.

West Virginia, mountain Mama, take me home country roads.

All my mem'ries gather round her, miner's lady stranger to blue water.

Dark and dusty, painted on the sky, misty taste of moonshine, teardrop in my eye.

(Chorus)

I hear her voice in the morning hours she calls me, the radio reminds me of my home far away.

And drivin' down the road I get a feeling that I should have been home yesterday, yesterday.

A million tomorrow's will pass away

Ere I forget all the joy that is mine today.

I'll be a dandy and I'll be a rover,

you know who I am by the song that I sing,

I'll feast at your table, I'll sleep in the Clover,

who cares what the morrow will bring.

(Chorus)

I can't be contented with yesterday's glory,

I can't live on promises winter to spring,

today is my moment and now is my story,

I'll laugh and I'll cry and I'll sing.

with a Jelly Bean you're always clean,

but a lollipop icky.

Rhymes and Reasons

SO you speak to me of sadness and the coming of the winter,

Fear that is within you now that seems to never end.

And the dreams that have escaped you and a hope that you've forgotten

And you tell me that you need me now and you want to be my friend,

And you wonder where we're going,

Where's the rhyme and where's the reason.

Chorus:

And it's you cannot accept it is here we must begin to seek the wisdom of the children

And the graceful way of flowers in the wind.

For the children and the flowers are my sisters and my brothers,

Their laughter and their loveliness would clear a cloudy day.

Like the music of the mountains and the colours of the rainbow,

They're a promise of the future and a blessing for today.

Though the cities start to crumble and the towers fall around us.

The sun is slowly fading and it's colder than the sea.

It is written: From the desert to the mountains they shall lead us.

By the hand and by the heart and they will comfort you and me.

In their innocence and trusting, they will teach us to be free.

Chorus

And the song that i am singing is a prayer to nonbelievers.

Come and stand beside us we can find a better way.

Austrian

Oh, an Austrian went yodelling on a mountain so high,

When along came a

1. Cuckoo bird
2. Two cuckoo birds
3. Three cuckoo birds
4. Grizzly bear
5. An avalanche
6. A counselor
7. Director
8. Chardie
9. Miss chenet

Interrupting his cry.

Oh, lay eee, Lolie Rock a Kee a Holie Rock a Koo

Holie Rock a kEe a Holie Rock a Koo

Holie Rock a Kee a Ho!

Piano Man

It's 9:00 o'clock on a Saturday,

the regular crowd shuffles in,

there's an old man sitting next to me

making love to his tonic and gin.

He says "Son can you play me a melody? I'm not really sure how it goes,

but it's sad and it's sweet and I knew it complete when I wore younger Man's clothes.

(chorus)

da da da dee Dee da

da da dee dee da da da

sing us a song, you're piano man

sing us a song tonight

well, we're all in the mood for a melody.

And you've got us feeling alright.

Now John at the bar is a friend of mine.

He gets me my drink for free.

And he's quick with a joke,

or to light up your smoke

but there's some place that he'd rather be.

He says "Bill, I believe this is killing me"

As a smile ran away from his face

"Well, I'm sure that I could be a movie star if I could get out of this place".

(chorus)

Now Paul is a real estate novelist,

who never had time for a wife,

and he's talking with Davy,

who's still in the Navy.

And probably will be for life.

And the waitress is practicing politics,

as the businessmen slowly get stoned.

Yes, they're sharing a drink,

they call loneliness but it's better than drinking alone.

(chorus)

It's a pretty good crowd for a Saturday, and the manager gives me a smile

Cause he knows that it's me they've been coming to see

To forget about life for awhile.

And the piano it sounds like a carnival
and the microphone smells like a beer
and they sit at the bar and put bread in my jar
and say "man, what are you doing here?"

(chorus)

Moon River

Moon River, wider than a mile, I'm crossing you in style someday.

Old dream maker, you heartbreaker, wherever you're going, I'm going your way:

Two drifters off to see the world, there's such a lot of world to see.

We're after the same rainbow's end, waiting round the bend, my Huckleberry friend, Moon River and me. (repeat)

Wind beneath my wings

It must have been cold there in my shadow, to never have sunlight on your face.

you were content to let me shine, that's your way, you always walked a step behind.

So why was the one with all the glory, well you were the one with all the strength.

a beautiful face without a name - for so long, a beautiful smile to hide the pain.

Chorus:

Did you ever know that you're my hero, and everything I would like to be?

I can fly higher than an eagle, cause you are the wind beneath my wings.

It might have appeared to go unnoticed, but I've got it all here in my heart.

I want you to know I know the truth, of course I know it, I would be nothing without you.

(Chorus)

Candle on the water

I'll be your candle on the water, my love you will always burn.

I know you're lost and drifting, but the clouds are lifting,

don't give up you have somewhere to turn.

I'll be your candle on the water, 'til ev'ry wave is warm and bright.

my soul is there beside you, let the candle guide you

soon you'll see a Golden stream of light.

a cold and friendless tide has found you,

don't let the stormy darkness pull you down.

oh painter Ray of hope around you,

circling in the air, guided by a prayer.

I'll be your candle on the water, this flame inside of me will grow.

keep holding on, you'll make it, here's my hand so take it,

look for me reaching out to show as sure as rivers flow,

I'll never let you go, I'll never let you go, I'll never let you go.

Six little ducks

Six little ducks that I once knew, short ones, skinny ones, fat ones too.

but the one little duck with the feathers on his back,

He ruled the others with his quack, quack, quack.

Down to the River they would go, widdle-waddle, widdle-waddle, to and fro,

but the one little duck with the feather on his back,

he ruled the others with his quack, quack, quack.

A boy and a girl

Just a boy and a girl in a little canoe with the moon shining all around

He plowed his paddle so, he didn't even make a sound, shhhh.

They talked and they talked till the moon grew dim.

He said ya gotta kiss me or get out and swim.

A boy all alone in a little canoe and the girl swimming all around.

One Tin Soldier

Listen children to a story that was written long ago

'Bout a Kingdom on a mountain and the valley folk below.

On the mountain was a treasure buried deep beneath a stone,

and the Valley people swore they'd have it for their very own.

Chorus:

Go ahead and hate your neighbour, go ahead and cheat a friend.

Do it in the name of heaven, justify it in the end.

There won't be any trumpets blowin' come the judgment day.

On the bloody morning after -- one tin soldier rides away.

So the people of the Valley sent a message up the hill,

Asking for the buried treasure tons of gold for which they'd kill,

Came an answer from the Kingdom "with our brothers we will share

All the secrets of our mountain, all the riches buried there".

(chorus)

Now the valley cried with anger mount your horses, draw your sword

And they killed the mountain people so they won their just reward.

Now they stood beside the treasure on the mountain, dark and red

Turned the stone and look beneath it

"Peace on earth" was all it said.

Waltzing with bears

My Uncle Walter goes waltzing with bears It's a most unbearable state of affairs

Every Saturday night he creeps down the back stairs

Sneaks out of the house and goes waltzing with bears.

Chorus:

He goes wa wa wa was waltzing with bears raggy bears, baggy bears, shaggy bears too
there's nothing on earth Uncle Walter won't do

So he can go waltzing wa-wa-wa waltzing, wa-wa-wa waltzing, go waltzing with bears.

I went to his room in the middle of the night

I tiptoed inside and I turned on the light

but to my dismay he was nowhere insight

Cause my Uncle Walter goes waltzing at night.

I bought Uncle Walter a new coat to wear but when he comes in it's covered with hair and
lately I've noticed there's several new tears

I'm sure Uncle Walter goes waltzing with bears.

(chorus)

We asked Uncle Walter "why won't you be good
and do all the things that they say that you should?"

But we know that he'd rather be off in the wood

we're afraid that will lose Uncle Walter for good.

(chorus)

We begged and we pleaded "oh, please won't you stay"

And manage to keep him at home for a day. But the bears will barged in and they took him
away

Now he's dancing with pandas and he won't understand us

and the bears will demand at least one dance day.

(Chorus)

The water is wide

The water is wide and i cannot get o'er,
Neither have I wings to fly,
Give me a boat that can carry two,
And we shall cross, my true friend and I.
I leaned my back against an oak
Thinking it was a sturdy branch
But the first it bent and then it broke
And so many true friend did help me stand.

Oh love is handsome and love is kind
Bright as a jewel when it is new
But love does grow and n'er turns cold
And it is fresh like morning dew.

Edelweiss

Edelweiss, Edelweiss, Ev'ry morning you greet me.
Small and white, clean and bright,
You look happy to meet me.
Blossom of snow may you bloom and grow,
Bloom and glow forever.
Edelweiss, Edelweiss, bless my Homeland forever.

The rainbow connection

Why are there so many songs about rainbows,
And what's on the other side?
Rainbows are visions, but only illusions,

And rainbows have nothing to hide.
So we've been told, and some choose to believe it,
I know they are wrong; wait and see.
Someday we'll find it, the rainbow connections;
The loves, the dreamers, and me.

Who said that ev'ry wish would be heard and answered
When wished on the morning star?
Somebody thought of that, and someone believed it;
Look what it's done so far.
What's so amazing that keeps us stargazing
And what do we think we might see?
Someday we'll find it, the rainbow connection;
The lovers, the dreamers, and me.

All of us under its spell;
We know that it's probable magic.

Have you been half asleep and have you heard voices?
I've heard them calling my name.
Is this the sweet sound that calls the young sailors?
The voice might be one the same.
I've heard it too many times to ignore it.
It's something that i'm s'posed to be.
Someday we'll find it, the rainbow connection;
The lovers, the dreamers and me.
La da da dee da da do.
La a da da de da do.

Bottle of pop

(in around)

One bottle o' pop, two bottle o' pop, three bottle o' pop, four bottle o' pop,
Five bottle o' pop, six bottle o' pop, seven bottle o' pop, pop.

Don't put your dust in my dustpan, my dustpan, my dustpan.

Don't put your dust in my dustpan, my dustpan's full.

Fish and chips and vinegar, vinegar, vinegar.

Fish and chips and vinegar, pepper, pepper, pepper, salt.

We'll Sing In The Sunshine

I'll sing to you each morning, I'll hug you ev'ry night.

So, my friend, please sing to me; All day and thru the night.

And we can sing in the sunshine, we'll laugh ev'ry day;

We'll sing in the sunshine and I'll be on my way.

When the camp has ended,

And I have gone away, you'll often speak about me

And this is what you'll say;

We saing in the sunshine, we laughed ev'ryday;

We sang in the sunshine, then went on our way.

We sang in the sunshine, we laughed ev'ryday;

We sang in the sunshine, then went on our way.

I have a dream

I have a dream, a song to sing

To help me cope with anything.

If you see the wonder of a fairy tale

You can take the future even if you fail.

Chorus:

I believe in Wa-Klo,

Something good in everything I see.

I believe in Wa-Klo

'Cause I know the place is right for me.

In woods and streams

I found my dream.

To have a dream, a fantasy,

To help me through reality

And my destination makes it worth the while

As I spend my summer always with a smile.

Chorus.

Sunshine, Lollipops and Rainbows

Sunshine lollipops and rainbows,

Ev'rything that's wonderful is what I feel when we're together.

Brighter than a lucky penny;

When you're near the rain goes disappears dear, and I feel so fine

Just to know that you are mine.

Chorus: My life is sunshine, lollipops and rainbows, that's how this refrain goes, so come on join in, ev'rybody!

Sunshine lollipops and rainbows,

Ev'rything that's wonderful is sure to come your way, Cause we are here to stay.

The 59th Street Bridge Song

Slow down you move too fast,
You got to make the morning last,
Just kickin' down the cobble stones,
Lookin' for fun and feelin' groovy.

Hello lamp post, whatcha knowin',
I've come to watch your flowers growin',
Ain't-cha got no rhymes for me,
Dootin' doo-doo, feelin' groovy.

Got no deeds to do, no promises to keep.
I'm dappled and drowsy and ready to sleep.
Let the morning time drop
All its petals on me.
Life, I love you, all is groovy.

Getting to know you

Getting to know you, getting to know all about you
Getting to like you, getting to hope you like me.
Getting to know you, putting it my way, but nicely
You are precisely my cup of tea!
Getting to know you, getting to feel free and easy,
When I am with you, getting to know what to say.
Haven't you noticed?
Suddenly I'm bright and breezy
Because of all the beautiful and new things I'm learning about you day by day.

Devoted

Darling you can count on me, til the sun dries up the sea

Until then I'll always be devoted to you.

I'll be yours til endless time

I'll adore your charms sublime.

Guess by now you know that I'm devoted to you.

Chorus:

I'll never hurt you, I'll never lie,

I'll never be untrue.

I'll never give you reasons to cry.

I'd be unhappy if you were blue.

Through the years our love will grow,

Like a river it will flow.

It can't die, because I'm so devoted to you.

(repeat chorus and last verse).

Garden song

Inch by inch, row by row, gonna make this garden grow;

All it takes is a rake and a hoe and a piece of fertile ground.

Inch by inch, row by row, someone bless the seeds I sow,

Someone warm them from below till the rain comes tumbling down.

Pulling weeds and pickin' stones, man is made of dreams and bones,

Feel the need to grow my own 'cause the time is close at hand.

Grain for grain, sun and rain, find my way in nature's chain,

To my body and my brain to the music from the land.

Plant your rows straight and long, thicker than with prayer and song,
Mother earth will make you strong if you give her love and care.
Old Crow watchin' hungrily from his perch in yonder tree,
In my garden I'm as free as that feathered beak up there.

Inch by inch, row by row, gonna make this garden grow;
All it takes is a rake and a hoe and a piece of fertile ground.
Inch by inch, row by row, someone bless the seeds I sow,
Someone warm them from below till the rain comes tumbling down.

I'd like to teach the world to sing

I'd like to build the world a home
and furnish it with love,
Grow Apple trees and honey bees
And snow-white turtle doves.
I'd like to teach the world to sing
in perfect harmony
I'd like to hold it in my arms and keep it company.
I'd like to see the world for once
All standing hand in hand,
And hear them echo through the hills
for peace throughout the land.
That's the song I hear,
Let the world sing today.
A song of peace that echoes on
and never goes away.

Jambalaya

Good-bye Joe, he gotta go, me oh my oh
He gotta go-pole the pirogue down the bayou
His Yvonee the sweetest one, me oh my oh
Son of a gun, we'll have big fun on the bayou.

Chorus:

Jambalaya and a crawfish pie and fillet gumbo
'Cause tonight, I'm gonna see my ma cher a mi-o
Pick guitar, fill fruit jar and be gay-o
Son of a gun, we'll have big fun on the bayou

Thibodaux, Fontaineaux the place is buzzin'
Kin-folk come to see Yvonne by the dozen
Dress in a style they go hog wild, me oh my oh
Son of a gun, we'll have big fun on the bayou.
(chorus, repeat chorus).

All God's critters

Chorus:

All God's critters have a place in the choir Some sing low, some sing higher
Some sing out loud on the telephone wire Some just clap their hands or paws or anything
they've got now!
Listen to the bass, it's the one on the bottom Where the bullfrog groans, and the
hippopotamus
moans and groans with a big ta-doo
And the old cow just goes moo.

(Chorus)

The dogs and the cats take up the middle where the hummingbirds hum and the crickets
fiddle

where the donkey brays an the pony neighs and the old coyote howls

(Chorus)

Listen to the top where the little bird sings on the melody with the high notes ringing the hoot owl howls over everything and the jaybird disagrees

(Chorus)

It's a simple little song living song, living sung everywhere

By the ox, the Fox and the grizzly bear,

The grumpy alligator and the Hawk above the sly raccoon and the turtle dove.

(Chorus)

Turn, Turn, Turn

Chorus:

To ev'rything turn, turn, turn

There is a season turn, turn, turn

And a time for ev'ry purpose under heaven.

A time to be born, a time to die;

A time to plant, a time to reap;

A time to kill, a time to heal;

A time to laugh, a time to weep. (chorus)

A time to build up, a time to break down;

A time to dance, a time to mourn;

A time to cast away stones,

A time to gather stones together (chorus).

A time of love, a time of hate;

A time of war, a time of peace;

A time you may embrace,

A time to refrain from embracing (chorus).

A time to gain, a time to lose;

A time to rend, a time to sew;

A time to love, a time to hate;

A time of peace, I swear it's not too later. (Chorus).

Living Legacy

(verses can be sung together)

We are the living legacy

keep giving the gifts of her life

of gathering flowers and growing wings

and singing songs that fly.

A song begins with one note

and others soon sing along

voices together make a lovely sound

and it all begins with one

Songs should be sung

for special ones

who shared great gifts

songs should be sung.

To This Camp

To this camp they will say you are going

We will see your bright eyes and sweet smile

For they say you are bringing the sunshine

That will brighten our pathways awhile.

And the time we will spend we will hold near
Do not hasten this summer along
And the memories we make in the months here
They will guide us throughout the year long.

One little candle

It is better to light just one little candle
than to stumble in the dark
better still than to light just one little candle all you need is a tiny spark.
If we all said a prayer for the world to be free what a glorious dawn of the new day we'd see.
And if everyone let's just one little candle what a bright world this would be....

Black Socks

(sung in a round)

Black socks they never get dirty,
the longer you wear them the stronger they get
sometimes I think I should launder them something keeps telling me "don't wash them yet,
not yet, not yet."

Pooh corner

Christopher Robin and I walked alone under branches lit up by the moon,
Posing our questions to owl and Eeyore as our days disappeared all too soon.
But I wondered much further today than I should
And I can't seem to find my way back to the Wood.

Chorus:

So help me if you can I've got to get back to the house on Pooh corner by one. You'd be surprised there's so much to be done.

Count all the bees in the hive,

Chase or the clouds from the sky,

Back to the days of Christopher Robin and Pooh.

Winnie the Pooh doesn't know what to do, got a honey jar stuck on his nose.

He came to me asking help and advice and from here no one knows where he goes, so I sent him to ask of the Owl if he's there how to loosen a jar from the nose of a bear.

(Chorus)

La La

Matthew

I had an uncle name of Matthew, he was his father's

Only boy.

Born just south of Colby, Kansas, He was his mother's

Pride and joy.

Chorus: Yes, and joy was just a thing that he was raised on,

Love was just a way to live and die.

Gold was just a windy Kansas wheat field,

Blue was just the Kansas summer sky.

All the storied that he told me, back when i was just a

Lad,

All the mem'ries, that he gave me, all the good times

That he had.

Growin' up a Kansas farm boy, life is mostly havin'

Fun;

Ridin' on his faffy's shoulders, behind a mule beneath

The sun (chorus)

Well, i guess there were some hard times, and i'm told

Some years were lean.

They had a storm in forty seven, a twister came and
Stripped them clean.

He lost the farm and host his fam'ly, He lost the wheat
And lost his home,

But he found the fam'ly bible, a faith as solid as a
Stone.

(chorus)

And so he came to live at our house, and he came to
Work the land.

He came to ease my daddy's burden and he came to be
My friend.

And so i wrote this down for Matthew, and it's for him

This song is sung

Ridin' on his daddy's shoulders, behind a mule beneath

The sun.

(chorus)

Wa- Wa- Klo

Chorus: Wa-Wa-Klo, how how are you?

Feel so good, just a walkin' through the Woods

In the sunshine (clap) I feel so fine

Wa-wa-wa-wa-wa Klo

Now that camps begun we're gonna have some fun,

It's a good day for a swim,

The water's fine, we'll have a real good time so let's all jump right in (chorus)

Camp's the place to be for memories and when the summer ends,

We'll have a smile, all the while, 'cause we've made so many friends. (Chorus).

When you're smiling

When you're smiling, when you're smiling, the whole world smiles with you.

When you're laughing, when you're laughing, the sun comes shining through.

But when you're crying, you bring on the rain so stop your sighing, be happy again.

Keep on smiling, 'cause when you're smiling, the whole world smiles with you.

Somewhere out there

Somewhere out there beneath the pale moonlight

Someone's thinkin' of me and loving me tonight.

Somewhere out there, someone's saying a prayer

That we'll find one another in that big somewhere out

There

Chorus:

And even though I know how very far apart we are

It helps to think we might be wishin' on the same bright

Star.

And when the night wind starts to sing a lonesome

Lullaby

It helps to think we're sleeping underneath the same big

Sky.

Somewhere out there if love can see us through,

Then we'll be together somewhere out there, out where

Dreams come true.

(chorus to end)

Beaver song

Beaver one, beaver all, let's all do the beaver call

(make beaver sound)

Beaver two, beaver three, let's all climb the beaver tree

(make beaver sound)

Beaver four, beaver five, let's all do the beaver jive
(make beaver sound)
Beaver six, beaver seven, let's all fly to beaver heaven
(make beaver sound)
Beaver eight, beaver nine, STOP, it's beaver time
(make beaver sound)

But he's a moose (but he's a moose)
Full of juice (full of juice)
On the loose (on the loose)

chorus

Let the River Run

Let the river run, let all the dreamers wake the nation, come, the new Jerusalem.

Silver cities rise, the morning lights, the streets there meet them,

And sirens call them on with a song.

It's asking for the taking, trembling, shaking,

Ah, my heart is aching.

We're coming to the edge, running on the water;

Coming through the fog, your sons and daughters.

Sing, the greatest song,

Stand on a star and blaze a trail of desire through the dark near dawn.

It's asking for the taking

Come run with me now, the sky is the colour of blue;

You've never even seen in the eyes of lover.

My heart is aching.

We're coming to the edge, running on the water;

Coming through the fog,

Your sons and daughters

Sing the greatest song, stand on a star

And blaze a trail of desire through the dark near dawn.

It's asking for the taking, trembling, shaking.

Ah, my heart is aching.

We're coming to the edge, running on the water;

Coming through the fog, your sons and daughters.

Let the river run, let all the dreamers wale the nation.

Come, the new Jerusalem.

Singin In The Rain

Chorus:

I'm singing in the rain, just singing in the rain

What a glorious feeling, I'm (clap, clap) happy again

Thumbs up x2

Ch-chee-chee-cha, chee-chee cha, chee-chee cha-cha

(repeat chorus adding on each body part one at a time)

Elbows in

Knees bent

Knees together

Toes together

Butts out

Chest out

Tongue out

Sit down

Climbing up sunshine mountain

We're climbing up sunshine mountain

Where the 4 winds blow (whistle sound)

We're climbing up sunshine mountain

Faces all aglow

Turn your back on all your sorrows

Reach up to the sky

We're climbing up sunshine mountain

You and I, we're waiting, you and I

Little corner of the world

Destination alive in the whispers of the wind

On fire flying through the trees to you

When the heart's ready with true desire

The journey of life set alive by a fire.

Chorus: (sung in a round/ repeat 3 times)

Little corner of the world

On fire through the years

Little corner of the world

Calling you near.

The unspoken word you need to hear

Invisible fire that draws you near.

The best gift is the one that sparks great gain

Believing the sun sets in colour when it rains,

(Chorus)

Year Song

(use current year numbers)

2-0-2-0 at Camp Wa-Klo

No other year the same.

Every girl a comrade true

Whatever be her name or fame.

2-0-2-0 at Camp Wa-Klo

Sunset and evening glow.

Guess it's the inspiration here

That makes us love it so...

The River

You know a dream is like a river, ever changin' as it flows.

And the dreamer's just a vessel, that must follow where it goes.

Trying to learn from what's behind you, and never knowing what's in store.

Makes each day a constant battle just to stay between the shores.

Chorus:

And I will sail vessel 'til the river runs dry.

Like a bird upon the wind, these waters are my sky.

I'll never reach my destination if I never try.

So I will sail my vessel 'til the river runs dry.

Too many times we stand aside and let the waters slip away.

'Til what we put off tomorrow has now become today

So don't you sit upon the shore line, and say you're satisfied

Choose to chance the rapids and dare to dance the tide

(chorus)

And there's bound to be rough waters, and I know I'll take some falls.

But with the Good Lord as my captain. I can make it through them all.

(chorus)

High hopes

Next time you're found with your chin on the ground,

There's a lot to be learned, so look around.

Just what makes that little 'ol ant think he'll move that

Rubber tree plant; anyone knows an ant can't

Move a rubber tree plant.

But he's got high hopes, he's got high hopes; he's got /

High apple pie in the sky / hopes.

So any time you're gettin' low, 'stead of lettin' go. Just

Remember that ant.

Oops! There goes another rubber tree plant! Oops,

There goes another rubber tree plant,

Oops! There goes another rubber tree plant!

When troubles call and you back's to the wall, there's

A lot to be learned, that wall could fall.

Once there was a silly ol' ram, thought he's punch a

Hole in a dam;

No one could make that ram scam, he kept button' that

Dam.

'Cause he had high hopes, he had high hopes; he had /

High apple pie in the / sky hopes.

So any time you're feelin' bad, 'stead of feelin' sad,

Just remember that ram.

Oops! There goes a billion kilowatt dam. Oops, three

Goes a billion kilowatt dam!

Oops! There goes a billion kilowatt dam!

/ so keep your / high hopes; keep your high hopes;

Keep those / high apple pie in the / sky hopes.

A problem's just a toy balloon, the'll be bursting soon.

They're just bound to go "pop!"

Oops! There goes another problem, kerplop! Oops,

There goes another problem, kerplop!

Oops! There goes another problem, kerplop! kerplop!

Mountain of dreams

By susan Chenet, copyright 1997

I see the mountain

Overlooking this place

It shares a trust

It gives such grace

And when the fog hides

It's beautiful view

The mountain stands in great faith

Chorus: I love this mountain

It gives me strength

The underlying love

Has no length

No matter what life brings

I'll have my mountain of dreams

No matter what life brings

In the shadow of a mountain

There is a home

Heavens protect it

People have come

To a place to seek

An incredible love

To share the mountain dream

The nature anthem

I wanna walk up the side of the mountain,

I wanna walk down the side of the mountain,

I wanna swim in the river and lie in the sun,

I wanna try to be nice to everyone.

My favourite things

Raindrops on roses and whiskers on kittens,

bright copper kettles and warm woollen mittens,

brown paper packages tied up with strings,

these are a few of my favorite things.

Cream coloured ponies and crisp Apple strudel,

doorbells and sleigh bells and Schnitzel with noodles,

wild geese that fly with the moon on their wings,

these are a few of my favorite things.

Girls in white dresses with blue satin sashes,

snowflakes that stay on my nose and eyelashes,

silver white winters that melt into Springs,

these are a few of my favorite things.

chorus

When the dog bites,

when the bee stings,

when I'm feeling sad.

I simply remember a few of my favourite things and then I don't feel so bad.

White Tribe Alma Mater

So sing girls and swing girls,

'till the drums no longer play.

With arms linked and hearts linked,

it's the dear old white tribe's way.

Forever and ever 'till the final sunset fades.

'Till the last great rolling echo,

it's the day old white tribe's way.

"Black or white" - Michael Jackson

Verse 1:

At council fire, green and white will compete.

Both tribes are playing for each other's defeat,

But we believe in White tribe.

And the score won't count when ending the night.

Chorus:

'Cause if you're talkin' 'bout our friendships,

It don't matter if they're green or white.

Verse 2:

Green will be there when you're feeling blue,

Through thick and thin, we'll be standin' by you.

And if you get in trouble,

We'll help you if you're wrong or you're right.

Chorus

Verse 3:

It's parent's weekend and another month's passed.

So thank you White tribe 'cause '04's been a blast.

And you'll never be forgotten, even after parting

Tonight.

Chorus

'Cause if you're talkin' 'bout our sisters,

It don't matter if they're green or white.

'Cause if you're talkin' 'bout our summer,

We'll thank you for the time of our life.

White pep song '04

'Can't fight the moonlight' by Leann Rimes

Two thousand four is here

Gonna be our year

And no one can stop us now

We like to scream and cheer

White will fight until

Till the games are done

Chorus:

We are here at council fire

We will play, we will win, we will cheer loud.

We will put the green tribe down.

You can try to beat white

But we'll put up a fight

So, green don't you know that you can't

Defeat the white tribe

Green don't you know that we've lost in the past

But we'll win, but we'll win, green, can't beat the

White tribe

No, you can't beat us

No matter what you do

You know the white will conquer you.

We're gonna rule these games

There's no doubt at all

We'll leave the green in the dust

No matter what you think

It won't be long till the white's victory's won

Chorus (x2)

"You can't stop the beat" - Hairspray

Verse 1:

Green tribe is the very best

In everything we do

White knows they want to conquer us,

But we'll just be beating you,

And you can try to fight harder than us,

But you know we'll pass you too.

Chorus:

'cause i'c council fire at Wa-Klo,

And it's our big chance to truly show

That we're gonna win this year.

'cause you can't stop green.

Ever since the start of tribes,

We found that competition kept the summer alive,

And we're gonna be excited so our tribe will thrive

Today.

'Cause you can't stop the speed of our stroke,

And the spring in our step,

The strength of our voice,

And our incredible pep,

And if you try to slow us down,

We'll run, scream, and shout, and say,

That you can't stop the green!

Verse 2:

Everybody knows that green

Will try with all their might.

We'll use our strength and courage

To put up the toughest fight.

And if you don't believe us, listen now,

'Cause we're gonna beat the white!

Chorus

+ You can't stop the green!

White Tribe Pep Song '05

(to the tune of 'Under the Sea')

This year at council fire

The white tribe is gonna win

And by the end of the summer

Our legacy will begin

Green look at the tribe against you

We're tough and will succeed

We will win all the tribe games

With our smarts, our strength, and speed

Chorus:

We will beat green

We will beat green

We will beat green

We will beat green

And when we're winning
You heads will be spinning
We will beat green
Out on the field we play all day
You can just hear our voices say
The points we'll be taking
You will be shaking
We will beat green

Outside when the sun is shining
And white and green compete
And when the sun is setting
The green tribe we will defeat

The white tribe is super peppy
We shout and we scream and cheer
And with our raging spirit
Green tribe has a lot to fear

Chorus

We will be grinning
While we are winning
The tribe that is better
Wears a white feather
We will beat green!

Green tribe pep song '05

To the tune of - "Do you believe in magic"

Do you believe in green tribe

Two thousand and five

We've been winning for years now, just hear our tribe

Cheers

And it's green tribe

If there's fire in our eyes, you know we'll keep playing

Until the score will rise

We'll tell you 'bout our tribe and how we're gonna win

If we're at the front field or the docks to swim

We believe in green tribe

Two thousand and five

We're here at council fire and we feel so alive

And it's green tribe

Just look at our team, we're excited, load and peppy if

Ya know what I mean

We got a lot of spirit and the drive to win

And if you cannot hear it, then we'll sing it again

We believe in green tribe

Two thousand and five

Gotta watch out white, cause we're winning tonight

And it's green tribe

Just look at us glow, it's our time to shine and that's

Something to know

We're gonna soar higher than we've done before
And at the end of the summer just look at the score

We believe in green tribe

GO GREEN!

White tribe friendship song '05

To the tune of - "So happy together"

We want to thank you green

For all you've done

In cabins or in council fire

It's always fun

And when it comes to being friends

You're number one

We're happy together

Chorus:

Green tribe you'll be here in our hearts and our minds

For all of tribes

We'll be friends forever and never forget

2005

No matter who will win

And who will loose

To stay the very best of friends

Is what we choose

The only one for white is green

We'll never lose

When we are together

Green tribe you'll be here in our hearts and our minds

For all of tribes

We'll be friends forever and never forget

2005

And when the summer ends

We'll miss you so

But the noble friends like green and white

Will never go

And when we're feeling down and out

We'll always know

We're happy together

We'll be friends forever.
