Daily Songs

These songs we sing almost every day at camp.

Friends, Friends, Friends

Friends, friends, friends we will always be
No matter how fair or how stormy the weather
We'll all stand and we'll pull together
For Camp Wa-Klo we will always be
Though in games we are rivals
Remember they're trifles
And we're still friends

Alma Mater

At the Foot of Mount Monadnock,
Glorious to view,
Stands a camp we all love dearly, 'neath the sky so blue,
There we work and play together,
Happiness untold,
Hail to the our camp so noble, hail oh hail Wa-Klo.

Taps

Day is done, gone the sun, from the lake, from the hills, from the sky.
All is well, safely rest, God is nigh.

Campfire Songs

Campfire Torchbearers

Courage: Be brave, for courage is the nobelist of all attainments.

Sportsmanship: Play fair, for foul play is treachery.

Cleanliness: Be clean in yourself and the place in which you dwell.

Love: Do at least one unselfish act each day.

Each Campfire

Each campfire lights a new

The flame of friendship true

The joys we've had in knowing you

Will last the whole year through

And as the embers die away

We wish that we might ever stay

But since we cannot have our way

We'll come again some other day

(Hum)

The joys we've had in knowing you

Will last the whole year through.

Tonight

Tonight, may never come again, camp girls for you and me,

The same old moon may never shine down quite so tenderly,

So while we are together, let's sing one more song and then,

Good night camp girls tonight may never come again.

Time to Leave

It's time to leave, time to say good night

It's time to leave, from our campfire sight

Another day together has been a lot of fun,

It's time to leave until another sun.

White Team Alma Mater

So sing girls and swing girls,

'till the drums no longer play.

With arms linked and hearts linked,

it's the dear old white Team's way.

Forever and ever 'till the final sunset fades.

'Till the last great rolling echo,

it's the day old white team's way.

Green Team Alma Mater

Green Team spirit ne'er be broken,

it will never die.

Love and friendship is our token.

Our limit is the Sky.

We will always pull together,

Though the going's rough.

Always fighting to the finish,

we never get enough

Reflections

Here We Are

Chorus:

Here we are, all together as we sing our song, joyfully

Here we are, all together as we pray, we will always be

Join us now as friends and celebrate the brotherhood we share, all as one.

Keep the fire burning, kindle it with care, and we'll all join in and sing.

(Chorus)

Happy is the man who does his best to free the troubled world from all its cares.

Join me with that man and free that world, and we'll all join in and sing.

(Chorus)

Let us make the world an alleluia. Let us make the world a better place.

Keep a smile handy. Lend a helping hand, and we'll all join in and sing.

(Chorus)

One Little Candle (Sung at Final Reflections)

It is better to light just one little candle than to stumble in the dark

better still than to light just one little candle all you need is a tiny spark.

If we all said a prayer for the world to be free

what a glorious dawn of the new day we'd see.

And if everyone lights just one little candle what a bright world this would be....

Songs about Wa-Klo

Once in Love with Wa-Klo

Once in love with Wa-Klo, shubee-doo-wap.

Always in love with Wa-Klo.

Never another sister or a brother.

Wa-Klo is the way to my heart, cause once with us
you never will depart.

(repeat in round)

I heard this Camp

I heard this camp call my name.

Listen close you'll hear the same. (repeat three
times)

Come on smile, we are Wa-Klo bound.

There are some things that make you smiles.

Come on y'all let's think awhile.

I like home and holidays

Music always makes my day

And gym is fun and so are friends

Happiness should never end.

Come on smile, we are Wa-Klo bound.

Find your happiness and you will know

It will show you where to go.

I like laughter and Wa-Klo

Dancin's fun with your beau.

I like my home and my family

And my favourite memories.

And swimmin's cool, vacations are nice

Happiness is a slice of life.

Come on smile, we are Wa-Klo bound. (repeat
three times).

Camp Wa-Klo

Counter melody:

Camp Wa-Klo, Camp Wa-Klo, Camp Wa-Klo...

Verse:

We call it fun, but you may call it madness. Stay
here with us and you'll forget your sadness.

Happy campers are we having fun neath the trees

And when we are gone you'll remember our song.

We are from Camp Wa-Klo, Camp Wa-Klo ...

How did we come to meet pal

How did we come to meet pal? What caused our
paths to blend?

T'was fate we came to Wa-Klo and you became my
friend.

We roamed these hills together and shared our
fondest dreams

the Campfire was kindled and we played beneath
the star light's gleam.

Chorus:

It's here at camp we have learned to grasp, the
meaning of,

the real worth of true friendship born to last.

Oh, Wa-Klo you have given what none can ere
destroy.

Ideals to guide our lives by and friends to bring us
joy.

And when we say farewell , it shall not mean
goodbye.

The spark we've lit at Wa-Klo, we know in ages
ne'er will die .

(Chorus)

I have a dream

I have a dream, a song to sing
To help me cope with anything.
If you see the wonder of a fairy tale
You can take the future even if you fail.

Chorus:

I believe in Wa-Klo,
Something good in everything I see.
I believe in Wa-Klo
'Cause I know the place is right for me.
In woods and streams
I found my dream.

To have a dream, a fantasy,
To help me through reality
And my destination makes it worth the while
As I spend my summer always with a smile.
Chorus.

Happy Times

Remember the fun we had at Camp Wa-Klo
The silvery lake, the sunset glow, the happy times.
Remember the pale pink sky, Monadnock so high.
And if you could ask me why...
The reason I ask you this, is that I want to
remember
The happy times.

Year Song

(use current year numbers)
2-0-2-0 at Camp Wa-Klo
No other year the same.
Every girl a comrade true
Whatever be her name or fame.

2-0-2-0 at Camp Wa-Klo
Sunset and evening glow.
Guess it's the inspiration here
That makes us love it so...

Wa- Wa- Klo

Chorus: Wa-Wa-Klo, how how are you?
Feel so good, just a walkin' through the Woods
In the sunshine (clap) I feel so fine
Wa-wa-wa-wa-wa Klo

Now that camps begun we're gonna have some
fun,
It's a good day for a swim,
The water's fine, we'll have a real good time so let's
all jump right in (chorus)

Camp's the place to be for memories and when the
summer ends,
We'll have a smile, all the while, 'cause we've made
so many friends. (Chorus).

Wa-Klo Here's to You

Verse one:
I don't know just what to say
the sunlight fades from blue to grey
the Clock is ticking counting down the hours
the memories shoot by like stars
holding on to friends like ours

in a place we know we'll have forever
Chorus:
So Wa-Klo here's to you and all that we've been
through
the ups and downs we know we're still together
as the sunsets on Thorndike pond
we all share a special bond
green and white are in our hearts forever

Verse 2:

Looking back you tend to smile
clean clothes it's been awhile
singing songs around the Campfire
Olympic Games we fight so fierce
playing next to those so dear
hand in hand so please my friend don't fear
(chorus)

hook:

I know it's hard and things will try you
you want to find the light to guide your way
just look beside you and you will see a friend
till the end
(chorus, repeat last line)

Mountain of dreams

By Susan Chenet, copyright 1997

I see the mountain
Overlooking this place
It shares a trust
It gives such grace
And when the fog hides
It's beautiful view
The mountain stands in great faith

Chorus: I love this mountain
It gives me strength
The underlying love
Has no length

No matter what life brings
I'll have my mountain of dreams
No matter what life brings

In the shadow of a mountain
There is a home
Heavens protect it
People have come
To a place to seek
An incredible love
To share the mountain dream

Little corner of the world

Destination alive in the whispers of the wind
On fire flying through the trees to you
When the heart's ready with true desire
The journey of life set alive by a fire.

Chorus: (sung in a round/ repeat 3 times)

Little corner of the world
On fire through the years
Little corner of the world
Calling you near.

The unspoken word you need to hear
Invisible fire that draws you near.
The best gift is the one that sparks great gain
Believing the sun sets in colour when it rains,

(Chorus)

To This Camp

To this camp they will say you are going
We will see your bright eyes and sweet smile
For they say you are bringing the sunshine
That will brighten our pathways awhile.

And the time we will spend we will hold near
Do not hasten this summer along
And the memories we make in the months here
They will guide us throughout the year long.

We'll Sing In The Sunshine

I'll sing to you each morning, I'll hug you ev'ry night.
So, my friend, please sing to me; All day and thru
the night.
And we can sing in the sunshine, we'll laugh ev'ry
day;

We'll sing in the sunshine and I'll be on my way.

When the camp has ended,
And I have gone away, you'll often speak about me
And this is what you'll say;
We sang in the sunshine, we laughed ev'ryday;
We sang in the sunshine, then went on our way.
We sang in the sunshine, we laughed ev'ryday;
We sang in the sunshine, then went on our way.

The 59th Street Bridge Song

Slow down you move too fast,
You got to make the morning last,
Just kickin' down the cobble stones,
Lookin' for fun and feelin' groovy.

Hello lamp post, whatcha knowin',
I've come to watch your flowers growin',
Ain't-cha got no rhymes for me,
Dootin' doo-doo, feelin' groovy.

Got no deeds to do, no promises to keep.
I'm dappled and drowsy and ready to sleep.
Let the morning time drop
All its petals on me.
Life, I love you, all is groovy.

Faces all aglow

Turn your back on all your sorrows

Reach up to the sky

We're climbing up sunshine mountain

You and I, we're waiting, you and I

High hopes

Next time you're found with your chin on the
ground,

There's a lot to be learned, so look around.
Just what makes that little 'ol ant think he'll move
that
Rubber tree plant; anyone knows an ant can't
Move a rubber tree plant.

But he's got high hopes, he's got high hopes; he's
got /
High apple pie in the sky / hopes.
So any time you're gettin' low, 'stead of lettin' go.
Just
Remember that ant.
Oops! There goes another rubber tree plant! Oops,
There goes another rubber tree plant,
Oops! There goes another rubber tree plant!

When troubles call and you back's to the wall,
there's
A lot to be learned, that wall could fall.
Once there was a silly ol' ram, thought he's punch a
Hole in a dam;
No one could make that ram scam, he kept button'
that
Dam.

'Cause he had high hopes, he had high hopes; he
had /
High apple pie in the / sky hopes.
So any time you're feelin' bad, 'stead of feelin' sad,
Just remember that ram.
Oops! There goes a billion kilowatt dam. Oops,
three
Goes a billion kilowatt dam!
Oops! There goes a billion kilowatt dam!

/ so keep your / high hopes; keep your high hopes;

Keep those / high apple pie in the / sky hopes.
A problem's just a toy balloon, the'll be bursting
soon.
They're just bound to go "pop!"
Oops! There goes another problem, kerplop! Oops,
There goes another problem, kerplop!
Oops! There goes another problem, kerplop!
kerplop!

The nature anthem

I wanna walk up the side of the mountain,
I wanna walk down the side of the mountain,
I wanna swim in the river and lie in the sun,
I wanna try to be nice to everyone.
(repeat)

Rattlin' Bog

O' roll the rattlin' bog
The bog down in the valley-o (repeat)

And in that bog there was a hole
A rare hole a ratlin' hole
A hole in the bog and the bog down in the valley-o
(chorus)

And in that hole there was a tree
A rare tree a rattlin' tree
A tree in the hole, a hole in the bog, the boy down
in the
Valley-o
(chorus)

And on that tree there was a branch
A rare branch a ratlin' branch
A branch on the tree, a tree in the hole, a hole in
the bog,
The bog down in the valley-o
(chorus)

And on that branch there was a twig

A rare twig, a ratlin' twig

A twig on the branch, a branch on the tree, a tree in the

Hole, a hole in the bog, the bog down in the valley-o

(chorus)

And on that twig there was a leaf... etc.

And on that leaf there was a nest ... etc.

And in that nest there was a egg ... etc.

And in the egg there was a chick ... etc

And on the chick there was a feather ... etc.

And on the feather there was a flea .. etc.

My favourite things

Raindrops on roses and whiskers on kittens,
bright copper kettles and warm woollen mittens,
brown paper packages tied up with strings,
these are a few of my favorite things.

Reflections Songs

When you're smiling

When you're smiling, when you're smiling, the
whole world smiles with you.

When you're laughing, when you're laughing, the
sun comes shining through.

But when you're crying, you bring on the rain so
stop your sighing, be happy again.

Keep on smiling, 'cause when you're smiling, the
whole world smiles with you.

Puff the Magic Dragon

Chorus:

Puff, the magic dragon lived by the sea,
And frolicked in the autumn mist in a land called
Honalee.

Cream coloured ponies and crisp Apple strudel,
doorbells and sleigh bells and Schnitzel with
noodles,

wild geese that fly with the moon on their wings,
these are a few of my favorite things.

Girls in white dresses with blue satin sashes,
snowflakes that stay on my nose and eyelashes,
silver white winters that melt into Springs,
these are a few of my favorite things.

chorus

When the dog bites,
when the bee stings,
when I'm feeling sad.

I simply remember a few of my favourite things and
then I don't feel so bad.

Little Jackie Paper loved that Rascal Puff,
And brought him strings and sealing wax and other
fancy stuff. Ohh (chorus)

Together they would travel on a boat with billowed
sail.

Jackie kept a lookout perched on Puff's gigantic
tail.

Noble Kings and Princes would bow whenever they
came.

Pirate ships would lower their flag when Puff roared
out his name. Ohhh (chorus)

A dragon lives forever, but not for little boys,
Painted wings and giant rings make way for other
toys.

One gray night it happened, Jackie Piper came no more.

And puff that mighty dragon, he ceased his fearless roar. Ohh (chorus)

His head was bent in sorrow, green scales fell like the rain.

Puff no longer went to play along the cherry lane. Without his lifelong friend, Puff could not be brave.

And Puff that mighty dragon sadly slipped into his cave.

Ohhh (chorus).

Somewhere out there

Somewhere out there beneath the pale moonlight
Someone's thinkin' of me and loving me tonight.

Somewhere out there, someone's saying a prayer
That we'll find one another in that big somewhere out

There

Chorus:

And even though I know how very far apart we are
Ot helps to think we might be wishin' on the same

bright

Star.

And when the night wind starts to sing a lonesome
Lullaby

It helps to think w're sleeping underneath the same
big

Sky.

Somewhere out there if love can see us through,
Then we'll be together somewhere out there, out

where

Dreams come true.

(chorus to end)

Pooh corner

Christopher Robin and I walked alone under
branches lit up by the moon,

Posing our questions to owl and Eeyore as our
days disappeared all too soon.

But I wondered much further today than I should
And I can't seem to find my way back to the Wood.

Chorus:

So help me if you can I've got to get back to the
house on Pooh corner by one. You'd be surprised
there's so much to be done.

Count all the bees in the hive,

Chase or the clouds from the sky,

Back to the days of Christopher Robin and Pooh.

Winnie the Pooh doesn't know what to do, got a
honey jar stuck on his nose.

He came to me asking help and advice and from
here no one knows where he goes, so I sent him to
ask of the Owl if he's there how to loosen a jar from
the nose of a bear.

(Chorus)

La La La La La La La La La La La La La La

Living Legacy

(verses can be sung together)

We are the living legacy
keep giving the gifts of her life
of gathering flowers and growing wings
and singing songs that fly.

A song begins with one note
and others soon sing along
voices together make a lovely sound
and it all begins with one

Songs should be sung
for special ones
who shared great gifts
songs should be sung.

I'd like to teach the world to sing

I'd like to build the world a home
and furnish it with love,
Grow Apple trees and honey bees
And snow-white turtle doves.
I'd like to teach the world to sing
in perfect harmony
I'd like to hold it in my arms and keep it company.
I'd like to see the world for once
All standing hand in hand,
And hear them echo through the hills
for peace throughout the land.
That's the song I hear,
Let the world sing today.
A song of peace that echoes on
and never goes away.

Garden song

Inch by inch, row by row, gonna make this garden
grow;
All it takes is a rake and a hoe and a piece of fertile
ground.
Inch by inch, row by row, someone bless the seeds
I sow,
Someone warm them from below till the rain comes
tumbling down.

Pulling weeds and pickin' stones, man is made of
dreams and bones,

Feel the need to grow my own 'cause the time is
close at hand.

Grain for grain, sun and rain, find my way in
nature's chain,

To my body and my brain to the music from the
land.

Plant your rows straight and long, thicker than with
prayer and song,

Mother earth will make you strong if you give her
love and care.

Old Crow watchin' hungrily from his perch in yonder
tree,

In my garden I'm as free as that feathered beak up
there.

Inch by inch, row by row, gonna make this garden
grow;

All it takes is a rake and a hoe and a piece of fertile
ground.

Inch by inch, row by row, someone bless the seeds
I sow,

Someone warm them from below till the rain comes
tumbling down.

Devoted

Darling you can count on me, til the sun dries up
the sea

Until then I'll always be devoted to you.

I'll be yours til endless time

I'll adore your charms sublime.

Guess by now you know that I'm devoted to you.

Chorus:

I'll never hurt you, I'll never lie,

I'll never be untrue.

I'll never give you reasons to cry.

I'd be unhappy if you were blue.

Through the years our love will grow,
Like a river it will flow.

It can't die, because I'm so devoted to you.

(repeat chorus and last verse).

Getting to know you

Getting to know you, getting to know all about you
Getting to like you, getting to hope you like me.
Getting to know you, putting it my way, but nicely
You are precisely my cup of tea!
Getting to know you, getting to feel free and easy,
When I am with you, getting to know what to say.
Haven't you noticed?
Suddenly I'm bright and breezy
Because of all the beautiful and new things I'm
learning about you day by day.

The rainbow connection

Why are there so many songs about rainbows,
And what's on the other side?
Rainbows are visions, but only illusions,
And rainbows have nothing to hide.
So we've been told, and some choose to believe it,
I know they are wrong; wait and see.
Someday we'll find it, the rainbow connections;
The loves, the dreamers, and me.

Who said that ev'ry wish would be heard and
answered
When wished on the morning star?
Somebody thought of that, and someone believed
it;
Look what it's done so far.
What's so amazing that keeps us stargazing

And what do we think we might see?
Someday we'll find it, the rainbow connection;
The lovers, the dreamers, and me.

All of us under its spell;
We know that it's probable magic.

Have you been half asleep and have you heard
voices?

I've heard them calling my name.
Is this the sweet sound that calls the young sailors?
The voice might be one the same.
I've heard it too many times to ignore it.
It's something that i'm s'posed to be.
Someday we'll find it, the rainbow connection;
The lovers, the dreamers and me.
La da da dee da da do.
La a da da de da do.

The water is wide

The water is wide and i cannot get o'er,
Neither have I wings to fly,
Give me a boat that can carry two,
And we shall cross, my true friend and I.
I leaned my back against an oak
Thinking it was a sturdy branch
But the first it bent and then it broke
And so many true friend did help me stand.

Oh love is handsome and love is kind
Bright as a jewel when it is new
But love does grow and n'er turns cold
And it is fresh like morning dew.

One Tin Soldier

Listen children to a story that was written long ago

'Bout a Kingdom on a mountain and the valley folk below.

On the mountain was a treasure buried deep beneath a stone,
and the Valley people swore they'd have it for their very own.

Chorus:

Go ahead and hate your neighbour, go ahead and cheat a friend.

Do it in the name of heaven, justify it in the end.

There won't be any trumpets blowin' come the judgement day.

On the bloody morning after -- one tin soldier rides away.

So the people of the Valley sent a message up the hill,

Asking for the buried treasure tons of gold for which they'd kill,

Came an answer from the Kingdom "with our brothers we will share

All the secrets of our mountain, all the riches buried there".

(chorus)

Now the valley cried with anger mount your horses,
draw your sword

And they killed the mountain people so they won their just reward.

Now they stood beside the treasure on the mountain, dark and red

Turned the stone and look beneath it
"Peace on earth" was all it said.

Candle on the water

I'll be your candle on the water, my love you will always burn.

I know you're lost and drifting, but the clouds are lifting,
don't give up you have somewhere to turn.

I'll be your candle on the water, 'til ev'ry wave is warm and bright.
my soul is there beside you, let the candle guide you
soon you'll see a Golden stream of light.

a cold and friendless tide has found you,
don't let the stormy darkness pull you down.
oh painter Ray of hope around you,
circling in the air, guided by a prayer.

I'll be your candle on the water, this flame inside of me will grow.

keep holding on, you'll make it, here's my hand so take it,

look for me reaching out to show as sure as rivers flow,

I'll never let you go, I'll never let you go, I'll never let you go.

Wind beneath my wings

It must have been cold there in my shadow, to never have sunlight on your face.
you were content to let me shine, that's your way,
you always walked a step behind.

So why was the one with all the glory, well you were the one with all the strength.

a beautiful face without a name - for so long, a beautiful smile to hide the pain.

Chorus:

Did you ever know that you're my hero, and
everything I would like to be?
I can fly higher than an eagle, cause you are the
wind beneath my wings.

It might have appeared to go unnoticed, but I've got
it all here in my heart.

I want you to know I know the truth, of course I
know it, I would be nothing without you.

(Chorus)

Piano Man

It's 9:00 o'clock on a Saturday,
the regular crowd shuffles in,
there's an old man sitting next to me
making love to his tonic and gin.
He says "Son can you play me a melody? I'm not
really sure how it goes,
but it's sad and it's sweet and I knew it complete
when I wore younger Man's clothes.

(chorus)

da da da dee Dee da
da da dee dee da da da
sing us a song, you're piano man
sing us a song tonight
well, we're all in the mood for a melody.
And you've got us feeling alright.

Now John at the bar is a friend of mine.

He gets me my drink for free.

And he's quick with a joke,
or to light up your smoke
but there's some place that he'd rather be.

He says "Bill, I believe this is killing me"

As a smile ran away from his face

"Well, I'm sure that I could be a movie star if I could
get out of this place".

(chorus)

Now Paul is a real estate novelist,
who never had time for a wife,
and he's talking with Davy,
who's still in the Navy.

And probably will be for life.

And the waitress is practicing politics,
as the businessmen slowly get stoned.

Yes, they're sharing a drink,
they call loneliness but it's better than drinking
alone.

(chorus)

It's a pretty good crowd for a Saturday, and the
manager gives me a smile
Cause he knows that it's me they've been coming
to see

To forget about life for awhile.

And the piano it sounds like a carnival
and the microphone smells like a beer
and they sit at the bar and put bread in my jar
and say "man, what are you doing here?"

(chorus)

Moon River

Moon River, wider than a mile, I'm crossing you in
style someday.

Old dream maker, you heartbreaker, wherever
you're going, I'm going your way:

Two drifters off to see the world, there's such a lot
of world to see.

We're after the same rainbow's end, waiting round
the bend, my Huckleberry friend, Moon River and
me. (repeat)

Today

Chorus:

Today while the blossoms still cling to the Vine,

I'll taste your strawberries, I'll drink your sweet wine

A million tomorrow's will pass away
Ere I forget all the joy that is mine today.

I'll be a dandy and I'll be a rover,
you know who I am by the song that I sing,
I'll feast at your table, I'll sleep in the Clover,
who cares what the morrow will bring.

(Chorus)

I can't be contented with yesterday's glory,
I can't live on promises winter to spring,
today is my moment and now is my story,
I'll laugh and I'll cry and I'll sing.

Take Me Home Country Roads

Almost heaven, West Virginia, Blue Ridge
Mountains, Shenandoah River.
Life is old there, older than the trees, younger than
the mountains growin' like a breeze.

Chorus:

Country roads, take me home, to the place I
belong.
West Virginia, mountain Mama, take me home
country roads.
All my mem'ries gather round her, miner's lady
stranger to blue water.
Dark and dusty, painted on the sky, misty taste of
moonshine, teardrop in my eye.

(Chorus)

I hear her voice in the morning hours she calls me,
the radio reminds me of my home far away.
And drivin' down the road I get a feeling that I
should have been home yesterday, yesterday.
(Chorus).

You've Got a Friend

When you're down and troubled and you need a
helping hand,
And nothing, nothing is goin' right.
Just close your eyes and think of me and soon I will
be there,
To brighten up even your darkest night.

Chorus:

You just call out my name and you know wherever I
am
I'll come running, to see you again.
Winter, spring, summer or fall.
All you have to do is call and I'll be there, yes I will.
You've got a friend.

If the sky above, you grows dark and full of clouds
And that ol' North wind begins to blow.
Keep your head together and call my name out
loud
Soon you'll hear me knocking upon your door.

(chorus)

Now ain't it good to know that you've got a friend
When people can be so cold,
They'll hurt you and desert you
They'll take your soul if you let them
Oh, but don't you let them.
(chorus).

I Can't Smile Without You

Chorus:

You know I can't smile without you, I can't smile
without you.
I can't laugh, and I can't sing.
I'm finding it hard to do anything,
You see, I feel sad when you're sad.

I feel glad when you're glad.
If you only know, what I'm going through
I just can't smile without you.

You came along just like a song to brighten my day.
Who'd believe that you were part of a dream?
Now it all seems light years away and....

(Chorus)

Now some people say happiness takes so very
long to find,
Well, I'm finding it hard leaving your love behind
me...

(Chorus)

Myself

I have to live with myself and so
I want to be fit for myself to know
I want to be able as days go by
Always to look myself straight in the eye.

Chorus:

I don't want to stand at the setting sun
And hate myself for the things I've done.

I never can hide myself from me
I see what others may never see
I know what others may never know
I have to live with myself and so
I want to be fit for myself to know.

(Back to chorus and sing last 5 lines in a round).

Leaving on a Jet Plane

All my bags are packed, I'm ready to go,
I'm standing here outside your door, I hate to wake
you up to say goodbye,
But the dawn is breakin', it's early morn, the taxi's
waitin'

He's blowin' his horn. Already I'm lonesome I could
die.

Chorus:

So kiss me and smile for me, tell me that you'll wait
for me,
Hold me like you'll never let me go.
'Cause I'm leaving on a jet plane, don't know when
I'll be back again,
Oh, babe, I hate to go.

There's so many times I've let you down, so many
times I've played around.

I tell you now they don't mean a thing.

Ev'ry place I go I'll think of you,
Ev'ry song I sing I'll sing for you,
When I come back I'll wear your wedding ring.

(chorus)

Now the time has come to leave you,
One more time let me kiss you, then close your
eyes.

I'll be on my way.

Dream about the days to come
When I won't have to leave alone,
About the times I won't have to say:

(chorus)

Perhaps Love

Perhaps love is like a resting place, a shelter from
the storm

It exists to give you comfort, it is there to keep you
warm

And in those times of trouble when you are most
alone

The memory of love will bring you home.

Perhaps love is like a window, perhaps an open door
It invites you to come closer, it wants to show you more
And even if you lose yourself and don't know what to do
The memory of love will see you through.

Oh, love to some is like a cloud, to some as strong as steel
For some a way of living, for some a way to feel
And some say love is holding on, and some say letting go
And some say love is ev'rything, some say they don't know

Perhaps love is like the ocean, full of conflict full of pain
Like a fire when it's cold outside, thunder when it rains
If I should live forever, and all my dreams come true
My memories of love will be of you.

I SEE THE MOON

(to the tune of "Hush Little Baby")
I see the moon and the moon sees me
And the moon sees the ones I long to see
When I'm at camp and you're not there
I hope you know that I still care
And even though you're far away
I think of you both night and day
I see the moon and the moon sees me
And the moon sees the ones I long to see

LINGER

Mmm, I want to linger
Mmm, a little longer

Mmm, a little longer here with you.

Mmm, it's such a perfect night
Mmm, it doesn't seem quite right
Mmm, that it should be my last with you.

Mmm, And come September
Mmm, I will remember
Mmm, our camping days and friendships true.

Mmm, And as the years go by
Mmm, I'll think of you and sigh
Mmm, this is goodnight and not goodbye. Mmm

If I had a Hammer

If I had a hammer, I'd hammer in the morning,
I'd hammer in the evening all over this land,
I'd hammer at danger, I'd hammer out a warning,
I'd hammer out love between my brothers and my sisters,
All over this land.

If I had a bell, I'd ring it in the morning,
I'd ring it in the evening all over this land.
I'd ring out danger, I'd ring out a warning,
I'd ring out love between my brothers and my sisters,
All over this land.

If I had a song, I'd sing it in the morning,
I'd sing it in the evening all over this land.
I'd sing out danger, I'd sing out a warning,
I'd sing out love between my brothers and my sisters,
All over this land.

Well, I've got a hammer, and I've got a bell,

And I've got a song to sing all over this land.
It's the hammer of justice, it's the bell of freedom,
It's the song about love between my brothers and
my sisters,
All over this land.

Follow Me

It's by far the hardest thing I've ever done,
To be so in love with you and so alone.

Chorus:

Follow me where I go, what I do, and who I know
Make it part of you to be a part of me.
Follow me up and down all the way and all around,
Take my hand and say you'll follow me.

It's long been on my mind, you know it's been a
long long time,
I'll try to find the way that I can make you
understand
The way I feel about you and just how much I need
you
To be there where I can talk to you
When there's no one else around.
